

April 1 1944

Mr Joe Lewis  
169 Key Road  
Portsmouth Va.

Dear Joe:

Willie just sent me a schedule of the dates available in Portsmouth Newport News and Norfolk.

You know I had told you some time ago that The Eagles and The Cubans wanted to come down there the week between the 15th and 19th of May.

I see the 19th is the only day we could have Portsmouth in that week. I think we should try the 16th and 17th in Norfolk and the 18th Newport News. The reason I suggested only one day in Newport News is because they are playing Portsmouth all that time.

If there is some other spot or spots nearby, we might go to them the 15th and 16th and stay in Norfolk one day only the 17th.

If Richmond is away May 15th we could stop there on our way down. I don't have the Richmond's schedule yet.

PLEASE answer me right away, and tell me what you suggest, I must give Pompez an answer soon.

Very Truly Yours
